experience

Gremillion & Pou Integrated Marketing

Graphic Designer | Aug. '15–Current
concepting new designs and refining
past designs for retail interior and
exterior store signage, point of purchase,
billboards and web marketing materials.

Kirsten McMillan Designs

Graphic Designer | Aug. '10–Current
concepting a variety of designs for
retail businesses, restaurants, events,
non-profits, total branding packages,
marketing materials, t-shirts, political
campaign and refining existing materials

Office Max

Print Supervisor | May '13–Aug. '15
worked directly with customers to
recommend the best marketing solution
for their business and personal needs.
Created custom designs, printing and
finishing solutions and executed multiple
projects simultaneously. Managed the
department and associates, scheduling,
controlled inventory, and ensured quality
and consistency of all orders.
